**MULTIRIPPER BUCKET**

  
Made in Italy

## FOR MINI, MIDI AND EXCAVATORS

Multiripper bucket "BAP". The ideal choice for light and medium-sized soil operations as root removing, stone grabbing, gather rubble and farming treatments. Made of heavy-duty steel S355 and abrasion resistant steel 450 HB. The wide range of models allows the perfect match for every excavator from 1,2 to 30 ton, providing the best performance for each specific class and application.

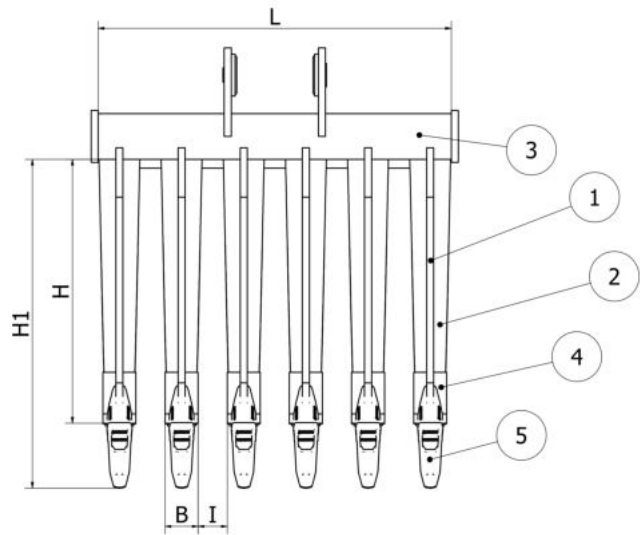

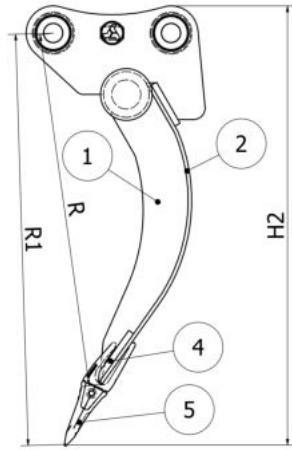

Reinforced  
construction

With or without  
teeth  
interchangeable

Available  
with 6  
different  
couplers
